Dear Friends,

The holiday's have past and we now are in the New Year. This winter season, as the cold and snow moves in, because of your generosity you will know the children are staying warm. This year we had over 1300 children who needed either a new winter coat or new outfit. The good news is that, thanks to the generous gifts from friends like you, The Salvation Army of Fall River was able to assist every child who signed up this Christmas Season through our Cloth-a-Child Program.

Again, we thank you for your support. This program and others can only happen with the support and generosity of the community willing to help those who are in need. May God continually bless you in this New Year.

Sincerely,

Elizabeth A. Deming, Major
Corps Commanding Officer
